Front-end Developer

Accomplished Front-end Developer with 8+ years of experience crafting innovative, user-centric web applications. Proficient in React, Redux, TypeScript, Next.js, and modern JavaScript frameworks. Committed to writing clean, efficient, and maintainable code, with a strong focus on accessibility.

Skills

HTML | CSS | JavaScript | TypeScript | React | Redux | WCAG Accessibility | Shopify | Adaptable

Experience

Front-End Developer, CQL (Feb 2022 - Oct 2024)

Used HTML, CSS, JavaScript, and popular frameworks to build high-performance, user-centric ecommerce solutions

- Key developer of a cutting-edge React/Redux/Next.js TypeScript web application
- Led accessibility initiatives for WCAG compliance, ensuring inclusivity for all users
- Provided technical support for Demandware platform integration with custom react application
- Worked to create unique and engaging online store experiences for both Shopify and SFCC by developing custom themes, discount apps, and SFRA storefronts

UI Developer, Radancy (Jun 2016 - Feb 2022)

Developed branded career sites using HTML, SCSS, JavaScript, Razor, and custom CMS

- Collaborated with cross-functional teams to develop innovative career websites for global clients
- Built 30+ solutions using HTML, CSS (Sass), JavaScript in a C# Razor environment

Technical Consultant, Perficient (Jul 2015 - Jun 2016)

Provided digital solutions to improve health insurance operations and customer experience

- Developed interactive website prototypes using HTML, CSS, JavaScript, and Angular frameworks for consumer testing
- Successfully implemented and customized WordPress theme and analytics
- Set up and maintained a departmental relational database (Quick Base) for streamlined project tracking

Web Developer and Tech Support, IgLou (Feb 2015 - Jul 2015)

Provided internet and digital solutions to clients, including website development and technical assistance

- Implemented custom WordPress websites tailored to specific client needs and industry standards
- Provided technical and customer service support for web hosting, CPanel, DSL, and basic networking

Technical Support Representative, Charter Communications (Jul 2013 - Jan 2014)

Provided exceptional phone support for internet and telephony issues, demonstrating strong problem-solving and communication skills.
